

Mostar, July 2003: workshop about crediting

LOAN not a Problem

On 13th June Cospe and Link have organised first workshop in Mostar where it was discussed about future of crediting in the area. It was an opportunity to discuss all details of banking system nowadays. Representatives of various Bank Institutions, representatives of international organizations; like EU representative in Mostar **Mr. Murraj McCullough** and **Tajma Kurt** from CARE International attended this workshop. Honoured guests on this meeting were representatives from **CNA Firenze- Pietro Campolini, Nadia Pieri** and **Antonio Tamalio**, director **Banca San Miniato**. Discussion helped to define better ways of presentation of Funds towards local community and the way of spending the funds on best possible way.

During a second meeting that was organized in cooperation with Banca Popolare from Ancona represented by **Enrico Ganzetti, Valerio Marchetti**, and **Roberto Cappelloni** from **CNA Marche** it was discussed about implementation of loan guaranty in Bosnia and Herzegovina.

We also need to mention European Agency for Regional Economic Development **EURED** in BIH that is interested in the project. And on the end, lets mention the fact that Banca Popolare is already helping collaboration between Italian entrepreneurs and entrepreneurs from Mostar.

Time for decision. Mostar, July 2003, workshop about crediting. EU Representative, **Murray McCollough** and **Gianni Gravina**, Head of **Cospe** for Southeast Europe.
